

## Stormont House Sporting Success

### Boccia London Youth Games Finals – Crystal Palace

On Thursday 10 March a team of students took part in the London Youth Games Boccia finals which took place at Crystal Palace. This was the first time that a team from Hackney had qualified for the finals of the Boccia tournament. Each student performed to the best of their ability and succeeded in finishing in third place winning a bronze medal. Well done to Lorell, Connor and Joe S.

Boccia is a disability sport that tests muscle control and accuracy. Players propel balls to land close to a target ball. Two sides compete as individuals, pairs or as a team of three over a set number of ends. Each side has six balls (red or blue) each end to try and score points. Points are accumulated over the course of a match to find a winner.

### National Junior Indoor Rowing Competition – Lea Valley

On Friday 11 March, Mr Hajdrych and Mr Ramphul took Lesny, Malachi, Victoria, Shekinah, Seun, Tekia, Tyson, Zoe, Jack, Shaquille to the National Indoor Rowing Competition at Lea Valley Athletics Centre. We have taken part in this competition for the last few years, our results this year were the best that we have ever achieved. Shaquille became national champion winning gold – narrowly beating the student who beat him into second place last year. Tekia won silver medal (only 1 meter behind the winner) and Lesny won bronze- all the pupils that went beat their own personal best results. Well Done to everyone.

**Easter Assembly Year 7 - Thursday 24 March 2016– Parents are welcome to attend from 11.45am – Please call school to confirm your attendance to this event**

## Jack Petchey Award Winner December 2015

Our Jack Petchey Award winner for December is Tia (Year 11H). Tia was presented with the Jack Petchey Award on Friday 11 March.

Tia is an amazing role model to her peers and the wider school community. She has taken part in small group work with younger students – speaking about the challenges of living with epilepsy, giving others the confidence to speak about their own experiences.

Tia will work with Ms Haynes, and the rest of her class to decide what she would like to spend the grant award of £250 on.
