# Work Experience Reports

Each week we shall be focussing on year 11 pupils, giving us an insight into their work experience and how they felt it went: Today we are starting with Billy from 11H:

# Work Experience Placement Report

Name:	Billy	Ref No:	8A	Date: 27/11/12
Where:	Linklaters	When:	12/11	/12 – 23/11/12
Position:	Assistant	Hours worked:	9:30 -	- 16:30

Details: At Linklaters, I worked in Community Investment, which is computer work. On the computer I had to do documents on spread sheets, word and PowerPoint documents. Apart from computer work, I would do work that was to do with stationary.

I would get an hour break from 12:30 – 13:30, whenever I would finish lunch and it wasn't 13:30, I would go back up to my office and continue my work.

On the 2nd week, I had to do a presentation in front of the Community Investment team, the Distribution team, Ms Mpisaunga, Matthew and a few others. My presentation was based on the history of Linklaters, from the beginning of Linklaters to present, at the end I added a slide called Interesting Facts, saying facts about Linklaters.

On the last day, I went to a careers fair at Hiedhall, where most of the Community Investment went to, there was plenty of things to do there and plenty of things to learn. Some of the Community Investment team was doing a presentation about lawyers, saying about court cases and say about out of who doesn't work in Linklaters, the judge, the lawyer or the security guard.

I really enjoyed my work experience.

How well did I do? Satisfactory Good

What went well: Everything went well; there were no problems or anything.

What I found difficult: There was nothing I found difficult.

Skills I learnt or developed: I learnt loads of information about Linklaters such as there are 27 offices in 19 countries and there are 2,260 lawyers working for Linklaters.

Very Good

Skills I need to improve: I don't think there is anything I need to improve on.

### **International News**

In November we had a Headteacher from the only secondary school on the island of Montserrat visit us for the experience on the practices of a special school in London. We have recently received a letter from the Minister of Education Youth Affairs in Montserrat, thanking us for our hospitality and good work practices which he is seeing being put into practice in her role as Headteacher.

#### **Dear Colleagues**

You recently hosted Mrs. Cherlyn Hogan at your school (October to Nov 2012) where she was allowed to observe and learn from the excellent practices at your schools. She spoke in glowing terms of the lessons she learnt and indeed I have already seen evidence of learning in her approach to her role and in her daily practice.

This is just a note to say thank you for allowing her into your school and for sharing with her. As her supervisor, I deeply, very deeply appreciate your involvement in her learning and development.

Thank you very much.
