Stormont House's Youth Travel Ambassadors Visit the Transport Museum

Three of our Travel Ambassadors Kian Y10, Brett Y8 and Tekia Y9

On 24 March the Youth Travel Ambassadors visited the London Transport Museum to have a meeting to discuss how they will be organising an event to promote active travel at school. They discussed different activities they could organise and how they would inspire Stormont House School to be more active. The Ambassadors then got to experience the history of public transport and understand all the different types of transport that exist as part of the Transport for London network. The Ambassadors thoroughly enjoyed their visit and are looking forward to inspiring everyone back at school to think about how they travel and how they can do that in an active way.

Panathlon Challenge East Champions Final UEL Sports Dock

Owais Yr 8, Kaymound Yr7, Marco and Victoria from Y8

On Tuesday 17 March a team of pupils from Stormont House represented Hackney at the East London Champions' Final of the Pentathlon Challenge, competing against strong teams from Barking & Dagenham, Redbridge and Islington. Pupils from Years 8 Owais, Marco and Victoria plus Kaymound Yr 7 had qualified for this Champions Final in an earlier round. After a full day of different sporting activities, including Athletics, Boccia, Polybat, New Age Kurling and Table Cricket, Hackney came 3rd overall. Although this means that we came 3rd out of all 8 East London Boroughs, we missed out on a place in the London Final by just a few points, mainly because we didn't have as many competitors in some of the categories. Congratulations to the winners Barking & Dagenham, and well done to every member of our team for beating their previous personal bests and representing the school and the borough so well!

Our pupils performed very well. Well done
