

WILLIAMS LEA MENTORS

On Thursday 11 October a team of Mentors from our business partners, Williams Lea, come for their first visit with Year 10 pupils.

The Year 10 have prepared thoroughly for their visit and plan to entertain them with tea and biscuits. Throughout year 10 the Mentors come to help year 10 pupils to broaden their understanding of the world of work. They work together, on various work related tasks including preparation for Internal Work Experience. In the summer term pupils also get to visit the mentors in their work place in the City, where they attend a board meeting and interview employees.

Music of Life

On Monday 1st October the whole school echoed with the sound of singing. A group of 8 professional singers came to sing with all year groups. They opened their sessions with a performance of the Hallelujah Chorus from Handel's Messiah and a piece of music called Panis Angelicus by a famous Belgian named Cesar Frank.

Having demonstrated the range of their voices and each of their roles in the choral group, they answered questions about their work as professional singers and how they came to the job. They worked with us on basic vocal and breathing techniques and then joined us in singing. It was an amazing experience to sing with them and we thank Music of Life, the musical charity which made the event possible.

Stormont House Pupils visit to the 2012 Paralympic Games

Stormont House pupils (above) Jady, Shaquille, Godswill, Lorell and Natalie were fortunate enough to have tickets to go to the Paralympic 2012 games! Needless to say they were very excited. They all met up in the morning of 4 September whilst they were still on their Summer holidays! They were able to access the Olympic Village and Stadium and watch some events. A memorable and unforgettable event enjoyed by them all!
