Food Technology

We will be making:

Own chosen recipes for Level 2 BTEC

We will be learning to:

Prepare, cook, and evaluate own two course meal.

Home Learning Opportunities

English – Encourage your child to read when they can. If your child is reading a book at home, ask them to bring the book in as they can be given the opportunity to read and share it with the class. Continue to use Reading Eggs and Reading Eggspress.

Maths – Encourage your child to find simple fractions of shapes and amounts. Using words share as “sharing” ask your child to divide some of larger amounts between different groups at home. Continue to use Mathletics.

PE – Ask your child to complete some of the exercises that they have been doing in their PE Lessons.

Computing – Give your child the opportunity to access online resources and platforms under supervision.

Art

We will be learning about: Structures 3D Mixed Media Project (Clay, plaster, Modroc, card, paper, straws, wood, found objects, wire)

Project introduction, exploring materials and techniques and working from observation, reviewing work and annotations. Exploring contextual work – artists and visits, internet research as starting points for project. Respond to artists – explore materials and techniques.

Plan and produce final outcome
Working towards the UAL Level 2 Award.

Music

We will be learning about:

Practical music making

Listening to diverse musical styles, practising and composing an original piece of music. Playing a tuned instrument keyboard/xylophone. Reading and playing music from notation

Music Technology:

Developing soundtracks and manipulating sound using a digital platform

PfA

We will learning about:

Taking Care of Ourselves (Online)

Taking Care of Ourselves at home

Self Care

Own Health Needs

Events this half term

Online parents' evening – Tuesday 14th March
