

## Year 7 Residential to Woodrow House

All of year 7 spent three days and two nights at Woodrow High House in Buckinghamshire this term where they had a wonderful time doing a variety of activities. They had fun learning how to shoot an arrow during archery and were very supportive of each other during the low ropes activity. Many showed bravery and courage conquering their fears to cross the rope bridge. They also liked dressing up for the disco and showing off their dance moves.

The pupils unanimously agreed that although they loved all of the activities their favourites were swimming and the campfire. At the campfire meet they sang songs, told jokes, ate toasted marshmallows and laughed a lot! During this residential holiday the pupils bonded with each other across the class groups. They demonstrated kindness and consideration and an increased capacity for patience and understanding.

**All in all it was a very successful trip.**
