## Lanya Junior High School - Annual Visit to Stormont House School 2014

On Monday 7 July 14 pupils and 3 members of staff from Lanya Junior High School visited Stormont House School for the second year in a row. LJS are linked to our school through the Connecting Classrooms programme organised by the British Council. The pupils and staff experienced life at Stormont House over a five day period. This included a trip to Madame Tussauds / Regents Park and Legoland Windsor.

Whilst in school they were able to undertake lessons in English / Maths / Spanish / Science / Music / DT / FT / ICT / PE, they joined in some of our extended curriculum activities including Circus Skills / Gardening / Drama / Film workshop. The pupils were able to share with the pupils in Year 7 PowerPoints about their homes in Taipei and about Taiwanese culture. In art the pupils learnt how to write their names using Chinese calligraphy.

Ms Lai the lead teacher from Lanya - stated that the trip to Stormont House School was the highlight of her year and she could not wait to bring her pupils next year in July 2015.
